Margo,

Thank you for the extension. I had calculated the due date to be 12/21/15; thus, I will use 2/19/16 as the new due date.

I will discuss with OCC the agency's response concerning the scope of requests 2 and 4, and get back to you.

Thanks again for your consideration.

Best regards,  
Kevin

Kevin,

Thank you for your email. The Agency will grant Occidental Chemical Corporation's request for a 60-day extension to respond to the Information Request concerning the Niagara Town Garage Site in Niagara, New York.

With respect to your request to narrow the scope of Information Request No. 2, we would need from you further clarification as to the burden associated with responding to the request as written, particularly given the 60-day extension of time. Please further explain the need to limit the time frame for this Information Request.

Information Request No. 4 is essential to our investigation of the contamination located at the Niagara Town Garage Site. As such, we cannot accommodate your request to limit its scope.

Certainly let me know if you have any questions. I will be in the office tomorrow and Monday through Thursday of next week.

Thank you,  
Margo
